

Ft Carson Officers' Spouses' Club 2007 High School Senior Scholarship Guidelines

The Fort Carson Officers' Spouses' Club (FCOSC) is a private organization designed to benefit families of military members and the population at large, by raising welfare dollars and distributing the funds back into the community. We offer three categories of scholarships. Please make certain that you have the correct application. 1) High School Senior, 2) Continuing Education – Dependent Child, 3) Continuing Education – Spouse.

This is a merit based scholarship application for high school seniors. The student must be planning to seek a bachelor, associate, or similar degree/diploma from an accredited two or four-year college, university or vocational technical school. This scholarship is for those that will enroll as full-time students. In previous years we have been able to provide scholarships between \$500 and \$1500 to deserving students. The award may be applied towards any college-related expenses that will be paid directly to the institution, i.e. tuition, fees, books, room and board. A scholarship award certificate will be presented to the student at the Scholarship Award Reception. A check will be made out to the selected college or university registrar on the student's behalf.

Selection will be based upon scholastic achievement, demonstrated leadership, citizenship, motivation, diversity of interest and community involvement. A Scholarship Award Committee makes the selection. Applicants of any race, sex, religion, creed, age, or national origin will be considered. Applicant anonymity is preserved during the selection process to ensure fair competition. Recipients will be notified by mail in May of their selection status. This scholarship must be used or refused by October 2007. Recipients who accept an appointment to a military academy are ineligible to receive a Fort Carson OSC scholarship. If a selectee cannot accept the scholarship, the money may go to an alternate, in order of merit. Exceptions to certain requirements may be made in extraordinary circumstances on a case by case basis. A letter of explanation and any pertinent supporting documentation should be attached if requesting an exception.

Please read the following requirements carefully. Applicant must meet all of the three requirements:

1. The student's current Grade Point Average (GPA) must be 3.0 or better.
